The construction of the Taj Mahal began in 1631 and it took 18 years and over 20,000 craftsmen to complete this monument in memory by an emperor for his beloved queen. Legend has it that once construction was completed, the emperor had the architect blinded and his hands cut off so that he would never be able to duplicate the structure anywhere else. After the visit, return to your hotel for breakfast and later visit the impressive Agra Fort, a UNESCO World Heritage Site and walk through the chambers
